POLICE REQUEST PUBLIC'S ASSISTANCE LOCATING BURGLARY SUSPECT

The man in the photos below has been identified as Clifford Jackson, a 45 year old white male. He is suspected of committing several vehicle burglaries in the beach areas of North County. He has used credit cards stolen from vehicles in various convenience stores. Over one dozen businesses have lost at least \$5,000 due to his fraudulent use of stolen credit cards and checks.

In this recent surveillance photo, he is on crutches. Currently, his whereabouts are unknown, but he is most likely still in the area. Because of Jackson's unique appearance with the crutches, residents may recall having seen him and are asked to assist in locating this suspect.

In addition, citizens are reminded to avoid leaving anything of value in vehicles parked at the beach, to always lock vehicles, and never leave keys hidden.

Anyone with information that may help locate Jackson is asked to call Carlsbad Police Department at 760-931-2197.

Clifford A. Jackson
